

 **TOYOTA**

COROLLA

ALL NEW *COROLLA*

The World's Most Popular Car

The Toyota Corolla is the world's best-selling car. To date, 40 million Corollas have been sold worldwide since the first generation was launched in 1966, 47 years ago. With the introduction of the new Corolla - the 11th generation, it is now manufactured in 16 production locations and

sold in over 150 countries around the world. It features an advanced, more contemporary design; improved roominess, comfort, practicality and user-friendliness; unrivalled fuel economy, improved driving dynamics and enhanced safety features.

A distinctive front grille gives the Corolla a dynamic new look.

Outer mirror with Aero Stabilizing Fin and side turn signal lamp

Stylish Tail Lamp

The pronounced rear bumper and sleek rear combination LED taillamps, give the Corolla a wide and sporty appearance.

Exterior Design

The 11th generation Corolla features an all-new exterior design. Highlighting the longer wheel base and reduced overall height, the design combines clean lines and balanced proportions to give the new Corolla a more sophisticated look with a prestigious and contemporary image. Overall, the premium build quality of the new design is highlighted by the minimal panel gaps befitting a luxury vehicle.

Genius Performance

The new Corolla is equipped with 1.6 litre Dual VVT-i petrol engine and a 6-speed manual gearbox which develops 90 kW / 122 hp and a maximum torque of 154 Nm at only 5200 rpm. The dual VVT-i engine combined with the 6-speed gearbox delivers greater power with low fuel consumption and lower emissions.

Luxurious Interior

The all-new, high quality interior design offers customers a superior cabin environment. It features a more spacious and comfortable cabin including a substantial increase in rear seat legroom, more comfortable seats and a

greater boot capacity. The new Corolla is not only more spacious and comfortable, but also quieter than its predecessor, and the interior has been designed to offer customers class-leading quietness and luxury.

Optitron Meter

Audio Controls on steering wheel

An **automatic air-conditioner** keeps occupants cool and comfortable.

60:40 Split Rear Seats with Folding and Reclining Function of the rear passenger seats for added comfort and flexibility.

Centre-console **cup holders** adopt a removable separator for added convenience. Additional cup holders are available at the rear seats.

From the luxurious instrument panel design to the plush seats, the Corolla beckons you to step into luxury.

Advanced Safety

Toyota designs its safety features to the highest quality standards. The Corolla envelops you in complete safety and security, wherever you go.

6 Airbags (D&P, CSA and Side) offer enhanced protection in the event of a collision.

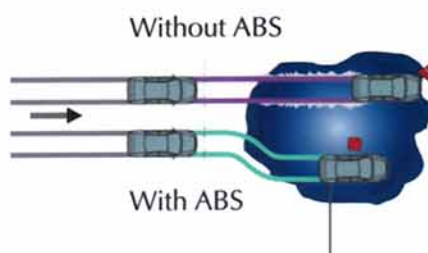

All Wheel Disc Brakes for superior driving control.

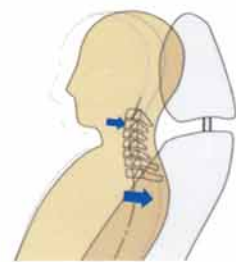

GOA (Global Outstanding Assessment) Body ensures the highest safety levels.

The striking **Halogen Headlamps** provide effective illumination while driving at night.

ABS (Anti-lock Braking System) with EBD gives you smooth stops during sudden braking.

The **WIL (Whiplash Injury Lessening)** concept on the driver seat prevents injuries to the neck and back, in case of a rear end collision.
